E²: Co-Presidents' Message

Hi Everyone! We have been blessed with beautiful mid-summer weather. I'm sure you agree what makes our Thursday mornings such a wonderful, fun time is that we care about the condition of the course and will do our share to keep it looking great. A couple of suggestions to help out are to always fix your divot and those of others who haven't bothered. If you see rocks in the the bunkers, please remove them for safety reasons. Always fix your ball marks on the green. While you're down there fix 3! Another reminder as the weather heats up is to please keep the pace moving at an acceptable speed. Last but certainly not least is the announcement that we have several board positions open for next season. Those include: Co-President, Vice President, Membership Chair, Tournament/Events Chair, Handicap Chair and Secretary/Treasurer. These are all great positions and an opportunity to get involved in our association. Should you want to inquire about any of these please reach out to either one of us and we will be happy to discuss. The sign-up sheet for the positions is available in the locker room. Please go take a look and see what interests you. - Eileen & Ellen

Checking In

Please check in with the LLNHGA starter located near the first tee bench at least 20 minutes before your scheduled tee time. Please be on the first tee box and ready to swing 5 minutes before play.

Canceling a Tee Time

If you need to make a change to or cancel your tee time, you may do so online before Wednesday at 12 noon. After this date and time, you must contact the Longshore Golf Course directly. Tee sheets are sent to Longshore Golf Course so that unused tee times are available to the public. If you fail to properly cancel your tee time and are a “no show” you will be charged at the discretion of the golf course.

Do you know golf etiquette?

- Sand rakes stay **outside** of the bunkers at Longshore.
- On the putting green, players should not stand on another player's line of putt or when they are making a stroke, cast a shadow over their line of putt.
- Players should be ready to play as soon as it is their turn to play. When playing on or near the putting green, they should leave their bags or carts in such a position as will enable quick movement off the green and towards the next tee.
