2017 President Column

Happy July everyone! We have had some really fun events thus far this season and we look forward to many more. Just a few items to discuss with everyone. Many of you may not have heard that my co-president Angela Ethier has moved back to her home state of Texas. Angela was a wonderful, enthusiastic board member and a great golfer who will surely be missed. Her departure has left an opening for someone to step up and join the board as a co-president. We have 2 openings for President starting with next years season. I will have timed out of my role and will be moving into another position. Please consider participating and reach out to me with any questions. This is a wonderful opportunity to get involved.

There seems to be some confusion as to the senior rates at Longshore. I have added the fee structure from the <u>Longshoregolfcourse.com</u> website. Please note that senior rates begin at age 62 and offer a significant discount. Should you qualify just advise the cashier inside the pro shop.

Green Fees

Monday through Thursday	18 Holes Rate	9 Hole Rate
Adult Resident (age 18-61) Handpass Holder	\$27	\$24
Senior Citizen Resident Handpass Holder	\$20	\$16

Lastly, now that summer is in "full swing" (please take precautions against the heat and sun. Remember to constantly hydrate, wear and bring plenty of sunblock and please pay attention to any thunderstorm warnings. Longshore has installed an audible lightening detection system, should it sound players are requested to leave the course immediately and seek shelter until the all clear is initiated.

Looking forward to meeting and playing with all of our newest members. Thanks everyone and have fun!!!

Aug. 17th - Special Ball Day

Played in teams of 2 or 4. Each team is given a special ball. One player plays the special ball for the entire hole. The ball then rotates to another player for the next entire hole, etc. The winner is the team that comes back with the special ball AND has the lowest team net score. If no team comes back with the special ball, the team with the lowest team net score wins.

Aug. 24th - Mumbo Jumbo

This 2-member team event is a combination of 3 different tournament formats. For the first 3 holes, the partners take turns alternating shots; only 1 ball is used. The second 3 holes are played as "better ball" format: the lowest score per hole is selected from each 2-player team. Each player plays their own ball and the best score from the hole is chosen and put on the team scorecard. The last 3 holes are played as a "scramble". Each player tees off, the best drive is chosen. Both players hit a ball from that location, this continues until the ball is holed. The team with the lowest net score wins.

Aug. 31st - Play the Back Nine

Have fun playing the 10th-18th holes. Not a contest so no winners, but we all win because it will be so much fun playing these holes that we never see.
