2017 President Message

Hello Everyone, With our season sadly starting to wind down, keep in mind that we still have some great weather still ahead of us for some wonderful golf and some fun tournaments and events. Our charity event along with our end of season luncheon and much more. This has been such an incredible season welcoming so many new members from Westport and beyond. I have had the pleasure of hearing positive feedback regarding Jon Janik and Longshore's new staff members, course condition and my favorite, hearing that our association is a fun, welcoming and well organized group.

On another note, as you are aware the infamous "bunker project" will be starting construction [on September 12th](#). They will start on holes 12 & 13 and continue from there. I have spoken to Jon Janik and there may have been some confusion as to the email that was sent earlier. The course will remain open during construction. Please be aware that we may be dealing with some interruptions but hopefully it will be a minimum as we are on the front 9.

Please remember to check our website for information on upcoming events and if you have taken a photo you would like to share, please forward it to us so we can include it on our site.

Happy golfing!!!
Ellen Ehli
