## A Message From

## Our 2018 Co-Presidents

How could it be September already? As always, the Summer seems to fly by. We have been lucky with good weather (even though it has been
 really hot!) and still have two more months to play (yay!). In September, we can look forward to the George Buck Tournament on 9/6 and playing with only irons and hybrids on the 20th. MJ Fusaro has been working very hard over the summer to make our charity event on 9/27 meaningful. This year we are supporting Smilow Family Breast Health Center/ Whittingham Cancer Center. To make this event extra special we have some exciting treats for those who participate. Please come out and play that day to support this wonderful organization. More details to follow as it gets closer. October brings our last day of play on the $18^{\text {th }}$ and our end of the season luncheon on the 25 th. All good things must come to an end I guess.
Congratulations to all those who won tournaments in August (see list below). If you haven't won anything yet, don't despair, there's still time! We look forward to seeing you on the course over the next two months.

Co-Presidents LLNHGA

## How to properly fill out your scorecard and why it is so important:

Hi Everyone, we thought it is time to once again reiterate the importance of properly filling out your scorecard prior to putting it in the locker room for tournaments.

1. Print your full name, we have several Mary's and Ellen's etc.....
2. Calculate the scores per hole and total them at the end of the round
3. Make sure you as the scorer, signs her name
4. Make sure you as the attester recalculates the scores, triple checks the math and then signs the card
5. Date your scorecard and place it in the box in the locker room

## Now for the why:

It has become very difficult on most tournaments to make sense of some of the names, scores and totals on the scorecards. We spend way too much time trying to figure out which member it could be and is that number an 8 or a 6 or a whatever. We DO NOT recalculate everyone's scorecard, we will only do so in the case of winners. If we cannot read the cards or if they are not properly signed and attested you will unfortunately be disqualified. Below is the correct way to fill out a scorecard. Please adhere to this example so that you and your partners have a chance at a win!!!!

Thank you,

Ellen \& Eileen.
